COSMOLITE®

Staying true to the many great stories that are intrinsically woven into COSMOLITE's design DNA, Samsonite has reinvented this iconic classic by including the latest technologies and design aesthetics. Evolved but unchanged, COSMOLITE has retained its iconic silhouette but is now lighter than before thanks to the use of more elegant and lightweight components. The collection is characterised by its fashionable colour palette, which in its turn is strengthened by the colour matching components and subtle reference to the elegant fishbone pattern.

- Made with Curv material: Extremely strong, incredibly light.
- Made in Europe: High quality luggage, built to last.
- Wide range of sizes in various fashionable colours.
- Elegant, comfortable carry handles & smooth rolling silent wheels.

PRODIGY™

PRODIGY, delivers a unique travelling experience both on cabin and check in! The proven success concept of its easy access cabins allows you to breeze through security checks in one go thanks to the recessed front pocket. The check in models offer tremendous, advanced functionality and unprecedented flexibility in terms of packing. If handling space is limited or if you prefer one large packing compartment instead of two, the clever front opening will provide you full access to the entire inside. Regular Packing via the main middle opening remains available at any time just as well.

- Made from 100 % durable polycarbonate with texture.
- Integrated TSA® lock allowing to close off both compartments separately.
- Hidden expandability on Spinner 55 EXP and Check in sizes.
- Fully featured cabin with front pocket including internal organisation, padded tablet and laptop compartments, an accessory pocket and a removable wet pouch. Separate main compartment contains large mesh pocket in the top and cross ribbons in the bottom.
- Check-in models are fully lined and feature a roll up divider pad, multiple pockets, Smart Fix® system and height adjustable cross ribbons.

S'CURE DLX™

The deluxe version of Samsonite's best-selling collection S'CURE. S'CURE DLX perfectly combines lightness with a deluxe touch through the use of rich colours and a classic exterior with details like chrome finishing on locks, soft touch pull handle and much more.

"Deluxe and luscious" is the best way to describe the Black/Gold Deluscious colour in the S'CURE DLX assortment. Elegant black shells are combined with rich light, golden detailing and a bespoke black and gold interior.

- Made in Europe.
- Full option, patent pending interior organisation system:
 - Bottom: butterfly straps using patent pending bayonet fixation system that allows positioning at different heights (except on Spinner 55), 2 zipped pockets.
 - Top: fully lined, zipped divider pad and garment sleeve.
- Rich colour palette with 2 striking metallics for an extra touch of luxury.

SOFTSIDE

B-LITE ICON™

B-LITE ICON raises the bar for softside luggage in terms of design, comfort and weight. It surpasses the known and ordinary with its ultra-lightweight construction and revolutionary, stageless wheel handle. The use of outspoken, delicate materials, exquisite detailing and the varied colour palette make this range desirable for all. Right on time for your Christmas shopping spree, the collection is extended with an essential toilet kit. The toilet kit comes with a removable toiletry pouch, which can be used for cabin travel only and assures easy and worry-free passing through customs.

- Surprisingly low weight: 1.8 kg only for the well-featured Spinner 55 cm (length 40).
- Revolutionary, stageless Ammonite wheel handle (patent pending).
- Recessed, double wheels in various sizes (larger size wheels as of models > 63 cm).
- Exquisite detailing and finishing.
- Wide cabin size offer, including a British Airways size 56 cm, a Spinner 55 EXP with top pocket function (with removable toiletry pouch; patent pending) and 2 underseater styles. The Upright 45, which comes with an USB port, can be placed under the seat in front of you, conveniently and closeby at all times. The 3-way Backpack EXP is the ideal size for second piece of hand luggage, accepted by the majority of airlines.

SPARK SNG ECO™

We care about the environment and so does our new SPARK SNG ECO collection. While SPARK SNG ECO continues to embrace the core DNA of our renowned bestseller SPARK SNG, this ECO version is only made out of Recyclex™ textiles engineered from 100 % post-consumer recycled PET plastic bottles. Genuine cork material serves as a nature-conscious alternative for the polyurethane trim on the carry handles, logo, ID tag and back protection. Strong, tactile and trendy. Due to its success, the colour palette, being an ECO Black only today, will be enriched with a deep ECO Blue.

- Interior and exterior made out of recycled pet fabrics from 100 % post-consumer waste.
- Diverse mix of daily styles and travel items including various cabin styles.
- Genuine cork details.
- Same protective and practical features as on SPARK SNG: TSA Cable lock (patent pending), extra back protection, chunky zipper tapes and high wheel housings.

ASTERISM™

Marking a significant depart from the usual stiffness and formality of Business bags, ASTERISM is a practical collection which, thanks to its deconstructed construction and supple materials, immediately conveys a sense of lightness and softness. Nonetheless it hides a great functionality. The streamlined Business casual style is completed by Polyurethane accents.

- Mix of soft-touch and lightweight polyester body and Polyurethane.
- Introducing the new Transformable Duffel, that doubles as Garment Bag and shoes carrier.
- All items (except waist bag) include Smart Sleeve and full business organisation.
- Shiny gunmetal hardware and zipper pullers with Polyurethane insert.

HULL™

HULL represents a new concept in urban mobility: an ultra flat and slim sleeve that can carry your laptop secured and protected and thanks to the expandable compartment also all your business essentials can be stored. The lightness, flexibility and security of HULL's "second skin" concept make it a must-have for all urban nomads and commuters alike.

- Slim design that doesn't obstruct movement thanks also to sternum and waist straps for better adherence to the body and can be worn even under jackets or other pieces of clothing.
- Anti-theft opening on the back for added security.
- Expandable.

MOVE 3.0™

NEW

For all your daily adventures

A line to carry with you wherever you want, even in a luggage, as it can be easily flattened. The multi-pocket concept is the best way to keep everything organised, simple in design but the most practical line. We decided to renovate the look of MOVE, launching the 3.0 version where we changed some details which will make the difference! A new metal puller gives a modern touch to the styles together with the two rivets framing the logo!

Inside and outside practicality

GENERAL INFO

MEASUREMENTS

The dimensions shown in the tables are the exterior dimensions (including handles, wheels, bottom glides, side pockets and other external parts).

Measurements of volume, dimensions and weight are carried out in the Samsonite laboratories using procedures whereby tolerances up to 1,5 cm in dimensions and 5% in weight and volume cannot be excluded.

Samsonite reserves the right to amend the specifications, colours, dimensions and weight of any product without prior warning. Colour deviation may occur due to the printing technique used.

PRODUCT CODES

All Samsonite product codes appear as follows: Orfeo Spinner 55 - Ink Black:

QUALITY

We deliver the quality. You conduct the test. Every journey. Every day. You might not have given it any thought, but each Samsonite product undergoes the most stringent controls and tests before it goes on the market. Of course, the ultimate test is conducted by you, the customer.

HISTORY

MILESTONES

Ever since its earliest days, Samsonite has been the most innovative luggage manufacturer in the world. It has led the industry in using new materials and creating new designs. Here are just a few of the luggage landmarks that Samsonite has created over the years, as part of its tradition of innovation.

1910

The Shwayder Brothers, the company's original founders, manufacture robust wooden trunks.

1920

Wooden trunk

1930

Suitcase: Coated fibreboard with reinforced corners.

1958

Launch of Silhouette®, the most advanced luggage made up to that time, included a new, modern shape and recessed hardware to protect it from wear and tear.

1955

Introduction of breakthrough products including Ultralite™, the first suitcase made of lightweight magnesium and ABS.

1941

Introduction of a new type of luggage: treamlite™.

1962

The first ABS attaché case is created for a new generation of executives.

1969

Launch of the new Saturn® suitcase, the first polypropylene case whose structure was fully supported by injection-moulded shells.

1974

The first Samsonite wheeled suitcase is created - a true revolution in travel comfort and convenience.

2002

Samsonite markets the four-wheel Spinner®, making travellers' lives easier.

1998

Xylem™: introduction of Samsonite's first aluminium product.

1986

The first suitcase with a three-point latching system: Oyster®.

2008

Launch of Cosmolite®, the strongest and lightest Samsonite ever up till then, manufactured in Europe.

2015

Neopulse™: Samsonite's first polycarbonate collection made in Europe.

2018

Samsonite launches a switched-on advertising campaign: #GenerationGo headed by brand-ambassador Negin Mirsalehi and her female squad. The brand shows it stays ahead of its game creating trendsetting, smart solutions for people on the go.
